Sponsored by mid-Kansas Shorthorn Breeders' Association

THIS IS NOT A NEW SALE—

2979 Shorthorn bulls and females have been sold in these Mid-Kansas Sales to buyers from California on the west coast to Texas on the Gulf, and to the Dakotas on the north. Here's one of your finest opportunities to join the continually growing list of satisfied customers of Mid-Kansas bulls and females.

STANDARD GUARANTEE

(Recommended by American Shorthorn Association)

- A. Proper care must be given to purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf, must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee, the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case of dispute, the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder, the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy, if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

GENERAL INFORMATION

LOCATION—The show and sale will be held in the arena of the judging pavilion at the Saline County Fair Grounds at Salina, Kansas on Wednesday, April 2, 1975. The headquarters for the sale will be at the Holiday Inn.

TERMS—The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off, but the management will attend to loading on cars or trucks in compliance with instructions from purchaser.

GUARANTEE—All cattle will be sold under the guarantee of the American Shorthorn Breeders Association.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors. We shall not be responsible for any accidents that may occur, but we shall make every effort to provide for the safety and comfort of our guests.

BIDS—Those wishing to buy, who cannot be present, may leave with or send their bids to the sale manager, Bill Scott, Ransom, Kansas; to Ted Aegerter of American Shorthorn Breeder's Association, Omaha, Nebraska; to the auctioneer, Dick Kane; or to the press representatives, Lee McCoy, Kansas Stockman; Hal Ramsbottom, Nebraska, Farmer-Stockman.

MANAGERS MESSAGE

We are once again offering a real fine set of bulls and females at the Mid-Kansas Sale. I have seen several of the bulls that are consigned, and I assure you that many of these would rank very high in the shows and sales anywhere. We have bulls consigned that will be as big and modern as you will find. Yet these are cattle that have the beefiness bred into them, that is so important.

We have a fine consignment of females. We have heifers that will work for 4-H and cows that will either have calves or be near calving. There are some real herd builders in this sale.

The Shorthorn breed is in a very good position today. There has been a lot of work toward modernizing the breed, and still keep the natural fleshing ability. With todays feed costs the cattle that have to be fed a long period will find it hard going. We hear more and more talk of grass fat or short fed steers. This really fits the Shorthorn breed. The Shorthorn has been bred for many, many years to utilize the roughage on the farms. Therefore they can finish out on a short feed period.

Plan to attend the informal banquet Tuesday, April 1 at 7 p.m. at the Holiday Inn. Everyone is welcome. Come as you are. If you haven't made reservations, come anyway.

Bids can be given to any of the representatives or sale manager. Phone calls can be made to the sale barn at the fairgrounds, 913-823-9728.

A very fine cross of 2 outstanding bulls. We feel this bull has tremendous potential with his excellent muscling and modern lines. What most every purebred breeder has been asking for. Has not been pushed hard. His dam is a full sister to the 1973 Kansas State Fair Reserve Champion bull who is breeding very well. Semen tested.
